STYLING: HEATHER NETTE KING, HEATHERNETTING.COM.AU

FESTIVE DINING
Relaxed, effortless entertaining is key

Style tip: Don't go too fussy or formal with elaborate centrepieces – guests remember most how you made them feel. There's no need to restrict your table to reds and greens – you can create a festive feel with many colour palettes, such as millennial pink with metallics.

1. Toulon Recycled Teak table, \$1799, Verdun Chair with Cushion, \$299, earlysettler.com.au
